**HUSBAND RESCUED
DESPAIRING WIFE**

**After Four Years of Discouraging
Conditions, Mrs. Bullock Gave
Up in Despair. Husband
Came to Rescue.**

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side."

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose I could tell it was helping me. I can now walk two miles without its tiring me, and am doing my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of wonderful success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

NO NEED FOR SPECIAL SESSION

T. W. Watson of Ennis, Calls Attention to Great Cost and Apparent Lack of Demand

An extra session of the legislature the tax-paying people of the state from \$50,000 to \$70,000. Is it worth the price? Mr. Reader, Mr. Voter, you may say: "Oh, well, I am not interested in politics." Maybe not, but you are interested in knowing that the money collected from you and thousands goes to meet the expenses of maintaining the state government. There is no occasion, there is no demand from the people for a special session. The question of amending the Terrell election law is an old one. It has been considered, but for some reason never gained much headway. Why this sudden desire on the part of the Governor, and a few other prominent politicians, (the defenders of the slogan: "Legislative rest and political peace")? Politics! Politics! There are many ways and many places where the people's money could be put to better use. Texas needs a business administration. Farmers and business men should be sent to the legislature, instead of politicians and embryo lawyers.
